

# Find these 5 Birds of Minnesota

1. **Black-capped Chickadee:** A small bird with a black head who sounds like he is saying "cheeseburger".
2. **Cardinal:** If you hear a beautiful song, look high up in the trees and see the male cardinal who is bright red.
3. **Mallard Duck:** Found swimming in ponds and lakes. The female is brown speckled. The male has a glossy green head.
4. **Robin:** Look for the robin with his orange belly on your lawn as he hunts for earthworms.
5. **Red-winged Blackbird:** Look at the top of reeds near a pond or even along roadways. You will notice the red shoulder patch bordered in yellow.
